SPONSORSHIP OPPORTUNITIES

The plans for *Contact Conference 2019: Your Career, Your Adventure*, are underway and we are excited to bring you this opportunity for your organization to become involved. This conference, in its 15th year, is geared towards educators, counselors, career practitioners and human resource specialists. Through sponsorship, we are able to bring in world class speakers with expertise in career development tools and strategies, labour market information, examples of best practice and successes in connecting to youth, job seekers and other stakeholders in the labour market. We had over 230 participants at Contact 2018 who came from across the province from our provincial and band schools, post-secondary institutions, government and immigration agencies, community-based organizations, employment programs, and from the human resources community who see career development as an integral part of their practice.

Our keynote speakers along with presenters facilitating over 20 breakout sessions will provide participants with information on current trends in career development. Further information about the Conference can be found at www.contactconference.ca.

We would like to take this opportunity to outline our sponsorship opportunities as listed in the following pages. If you have any additional questions or comments, please contact myself at 1.306.683.7773 or shana@saskatooniec.ca

Thank you for your consideration.

Sincerely,

Shana Stewart
Financial and Office Manager
Saskatoon Industry-Education Council
